Located just steps from the beach, this charming townhouse is situated in one of the most tranquil and prestigious residential areas of Portals Nous, a coveted coastal gem in southwest Mallorca.

Distributed over three levels, the property features a functional Mediterranean design, ideal for year-round living or enjoying a stylish vacation getaway.

The main floor is designed for daily life and entertaining, with a bright open-concept living-dining room connected to a fully equipped modern kitchen. From here, access is granted to two pleasant outdoor spaces: a large rear terrace, perfect for al fresco dining, relaxing, or creating a small urban garden, and a front terrace ideal for enjoying quiet moments in the sun. It also includes a guest toilet and a separate laundry room that provides practicality and can be used as a service room or storage room.

The upper floor offers a sleeping area with three spacious bedrooms filled with natural light. Two of them have en-suite bathrooms, while the third has a separate full bathroom, ideal for family or guests.

On the ground floor, the property has a private garage with space for one car and additional storage. In addition, there is space to park a second vehicle in front of the garage, adding even more convenience.

This house stands out for its generous outdoor spaces, its balanced layout, and its unbeatable location, with excellent access to Puerto Portals and the center of Palma. A unique opportunity to enjoy authentic Mediterranean life, where every day feels like a vacation by the sea.
