Description

This exclusive residential complex of 20 flats is located in San Telmo, a village steeped in history on the south-west coast of Mallorca.

The flats will have two communal swimming pools, one for children, and landscaped garden areas to enjoy the wonderful Mediterranean climate. All this is just 100 metres from the nearest beach cove.

The flats, which are south-east facing, will have three double bedrooms and two bathrooms. The open plan living room with integrated kitchen maximises the amount of natural light and the feeling of spaciousness.

The ground floor flats will have large terraces with porches and private gardens.

The sea view penthouses will have access to their sun terrace via a staircase leading from the terrace.

Each house will have a parking space at ground level. The expected completion date is 01.07.26.

Prices range from 725.000€ 1.300.000€.

Please contact us for the prices of the different units.

Location

San Telmo is just 45 minutes by car from Palma airport, which has flights to the main Spanish cities and European capitals.

The picturesque village, with its narrow, cobbled streets winding around whitewashed houses and small shops and restaurants, is the heart of the community, where residents and visitors come together to enjoy an al fresco meal or simply stroll around and soak up the relaxed atmosphere.

Boat trips are available from San Telmo harbour to Dragonera Island - the perfect way for visitors to discover this nature reserve with its rich wildlife and the opportunity to go hiking or snorkelling.

San Telmo is close to the impressive Sierra de Tramuntana, a mountain range that has been declared a UNESCO World Heritage Site for its cultural significance and breathtaking natural

beauty. This proximity gives us the opportunity to enjoy a variety of excursions and hiking routes such as La Trapa or Puig de Galatzó.
