Description

Mallorcan charm meets modern technology.

This stylishly modernised finca near Binissalem combines Mediterranean elegance with the highest level of living comfort.

On a sunny, approx. 15,000 m² plot, you can expect 360 m² of living space, spread over a main house with two floors and two separate guest houses - ideal for families, guests or for renting out.

The outdoor area impresses with a large saltwater pool (12 x 6 m), a romantic outdoor kitchen with BBQ, pizza oven and lounge area as well as a lovingly landscaped garden with fruit trees and fully automatic irrigation.

The interior of the finca was extensively renovated in 2024 - technically and visually to the highest standard. Photovoltaics with battery storage, mains electricity and its own drinking water well with osmosis guarantee independence.

Each house is equipped with Starlink internet. New electrics, insulated walls, high-quality stone floors, Daikin air conditioning systems and two fireplaces ensure a pleasant indoor climate. PVC windows with double glazing, fly screens and burglar protection as well as an alarm and intercom system round off the high-quality fittings.

Preserved wooden beams, natural stone walls and open-plan layouts give the property its special character. The south-facing orientation guarantees sun all day long and a marvellous view of the Tramuntana mountains.

Location

The finca is located in a sought-after location in the centre of the island, in the picturesque finca area near Binissalem - a historic wine-growing region with growing international demand. Here you can enjoy the authentic Mallorca with its rolling hills, far-reaching views as far as the Tramuntana and absolute privacy, without having to compromise on comfort.

Despite the quiet, rural surroundings, the connections are ideal: the island's capital Palma and the international airport are only around 30 minutes away by car. Beaches, golf courses and charming villages are also within a short driving distance.
