Description

Welcome to your new home in Santa Ponsa, a paradise on the Mediterranean coast. This exclusive luxury flat offers an unrivalled quality of life with approx. 155 m² of living space and breathtaking sea views. First occupancy is planned for 2026 and the flat will impress with its contemporary design and high-quality materials.

The apartment comprises five spacious rooms, including four elegant bedrooms and three modern bathrooms, as well as an additional guest WC. The interior sets new standards in terms of elegance with marble floors, an open-plan fitted kitchen with Miele appliances and luxurious bathrooms with Duravit and Grohe fittings.

Enjoy the breathtaking view from your balcony or south-west-facing terrace. The fireplace in the living room ensures a cosy atmosphere, while the air conditioning and underfloor heating guarantee a pleasant indoor climate.

The first-class communal facilities include spacious sun terraces, a well-tended garden with automatic irrigation and a large infinity pool, which promise relaxation at the highest level. There is also a sauna for communal use.

The KNX ZENNIO home automation system offers you state-of-the-art living comfort by allowing you to control the air conditioning, heating, blinds and lighting. The covered underground car park with automatic entrance gate offers plenty of space and security for your vehicles.

Take the opportunity to own a home in this unique community that meets the highest standards of quality and energy efficiency. Let yourself be enchanted by the harmony of luxury and nature and create your own oasis in Santa Ponsa. Sample images illustrate the planned project with a completion date of 2026.
