Description

Discover your new luxury penthouse in Santa Ponsa, one of the most sought-after locations with breathtaking sea views. This exclusive flat, which will be ready for occupancy from 2026, is in first occupancy and impresses with its outstanding solid construction. Five spacious rooms, including four bedrooms and three exquisite bathrooms, as well as an elegant guest WC await you on a living area of approx. 154 m².

The furnishings are of first-class quality: high-quality marble floors promise luxurious living comfort, complemented by underfloor heating and modern air conditioning with an aerothermal system. Enjoy exclusive moments by the fireplace or on the south-west-facing terrace and balcony. The stylish fitted kitchen is equipped with MIELE appliances, including an induction hob and natural stone worktops.

The outstanding communal facilities include spacious sun terraces, a large infinity pool with indoor lighting and well-tended gardens. The offer is complemented by a communal sauna and a covered underground car park. The state-of-the-art digital lift technology, video intercom and KNX ZENNIO home automation system underline the future-oriented living experience.

This penthouse not only offers you maximum living comfort and luxurious furnishings, but also energy efficiency at the highest level - ideal for anyone looking for sustainable living in style. Experience prestige and enjoyment in a "green home" with a first-class energy efficiency rating. Be enchanted by the combination of modern architecture and dreamlike surroundings. This penthouse is the perfect choice for discerning buyers looking for something special.

Location

This exclusive penthouse is located in the sought-after area of Santa Ponsa, a charming municipality in the south of Mallorca, Spain. The idyllic location offers a perfect combination of tranquillity and excellent connections to the most important facilities and transport routes.

The lively town centre is just 15.65 km away and offers a wide range of cultural, gastronomic and commercial activities. Everyday needs can be easily met, as shopping facilities are just 3.18 km away.

The quick connection to the motorway just 1.2 km away is particularly advantageous for commuters and travellers. There are excellent public transport links, as the nearest bus stop is just

230 metres from the penthouse.

Families with children will particularly appreciate the proximity to educational facilities; the nearest kindergarten is just 450 metres away and a primary school can be reached in just 630 metres.

This strategic location combines an outstanding quality of life with an excellent infrastructure, ideal for those who want to enjoy the Mediterranean lifestyle without sacrificing any amenities.
